

Age Guidelines

Our nursery staff is ready to welcome you and help direct you to your child's age-appropriate room. Please help our nursery staff keep your children safe by taking your child to his or her correct room. We have age-appropriate toys located in each room for the safety of your children.

0-18 months – Baby Room

19 months-3 years – Toddler Room

4 years and older – Pre-k and Up Room

Activities to include:

Play centers, Bible stories, music time and a snack.

Children come FIRST here!

Our goal at First United Methodist Church is to provide your child with a safe, caring and clean environment with age-appropriate toys and trained caregivers.

We encourage children to grow in their relationships with God and His word.

First United Methodist Church wishes to provide your child with safe and loving care. In order to accomplish this, we need your cooperation with the guidelines listed below:

Sign-in Procedure

1. Complete the Sign-In Sheet, located in the entry of the nursery.

- Child's first and last name
- Your first and last name
- Child's Age
- Pager Number

2. If your child has an allergy, complete the Allergy Alert sticker (located next to the sign-in sheet) and place it on his/her back.

3. Always take a pager. Please keep the pager close or hold it in your pocket as it only vibrates. You need to be able to feel it to know you are being paged. We will page you if there are any problems or if your child cries for more than 10 minutes.

4. If your child is in the nursery during Sunday services or Sunday School, please do not leave the church grounds. Your pager will not work.

Labels

Please label ALL items!!!!

- Bottles & Cups
- Pacifiers
- Food Containers (no glass containers please)
- Diaper Bags
- Coats/Extra clothes

Toys

Please do not bring toys from home. Sharing can be upsetting for little ones especially when it involves a special toy. We have many wonderful toys for your children to play with.

Health Information

Our goal at First United Methodist Church Nursery is to provide your child with a healthy, happy atmosphere.

Please keep your child at home if he/she does not feel well or has any contagious childhood diseases.

We require your child to be fever free, vomit free, and/or diarrhea free for 24 hours without the aid of medication before attending the nursery.

Child Caregivers

First United Methodist Church staffs loving, responsible, and well-trained caregivers. Our nursery staff is CPR certified and trained in First Aid and Safe Sanctuary for your child's safety.

Emergency Info

Parents are asked to fully complete the contact forms to ensure we are equipped with current phone numbers, emergency contact information, and vital medical knowledge (including food allergies). Please remember to keep your forms updated. We will ask you to fill out a new form every 2 years.

Please help us do our best by keeping us up to date and informed. Feel free to contact us with any questions, concerns or suggestions.
